

Business of the Year Award

The award recognizes a business that has made a significant impact on its industry during the year. The business's growth and development has made it a leader in the town of Niagara-on-the-Lake. This business consistently demonstrates its commitment to good corporate citizenship and to the community of Niagara-on-the-Lake.

Eligibility: The nominee is a company/business or organization located in Niagara-on-the Lake for a minimum of four years who has made an impact on its industry.

Criteria: Nominations should identify the nominee's specific industry and describe the nominee's contributions to that industry and reference their impact on that industry and community.
